This ocean view villa is located in a compound overlooking Playas del Coco and the Gulf of Papagayo. The main home offers 5 bedrooms and 5 bathrooms, movie/entertainment room, a one-bedroom guest villa and a caretaker's apartment. A garage offering 5 car storage, outdoor kitchen and bar, covered terrace, bathroom, shower and a pool with a Jacuzzi with waterfall. The complex has a power generator capable of providing 100% power and the private water system includes a 16,000-gallon water reserve. The quality workmanship of this complex exceeds any villa I have seen in Costa Rica and would be a perfect multiple family home or an all-inclusive vacation rental. 24,002 m2 lot.
