\$449,900

6608 sq mtr property with frontage on National Route 151 entering Playas del Coco. The property includes a very well designed and maintained open concept 2 bdrm, 2 bath home with large rear deck and swimming pool. This 1540 sq ft construction with 1120 sq ft under air can easily be converted into a 3 bdrm home. With vaulted ceilings, and a rather large kitchen the house will be mostly furnished. Included on the property is a large 1200 sq ft open concept shop with a 587 sq ft carport. The shop current holds a month-to-month rental that can continue, or the shop can be turned into a second living space, farm, man-cave, she-shed or business. This property has a great new price along with excellent possibilities just 16 miles from Liberia
