ESTATE LOT 6,000 M2 - GUAYABO, GUANACASTE, COSTA RICA \$95,000 USD

Be amazed at the views from this large lot looking out to the Miravalles Volcano. Two large Guanacaste trees and a small river at the back of the property provide ample shade and a natural backdrop for your estate home. Just 60 meters from the main road into Guayabo, which is 2km away, this is a perfect location that is private yet close to amenities. It is also just 2km from several volcanic thermal hot springs spas. Imagine soaking in the healing waters as you gaze up at the picturesque scenery. The climate in this area is always between 20-30C and it rains at least a little each month to keep everything green and lush. One hour from Liberia Airport. Contact me today for more information!
