

TERMALES MIRAVALLS VOLCANIC HOT SPRINGS RETREAT 6,000 sqm \$499,000 USD

TERMALES MIRAVALLS HOT SPRINGS RETREAT **GUAYABO, COSTA RICA - \$499,000.**

Termales Miravalles is a rustic hot springs retreat at the base of the Miravalles volcano just 3 km from Guayabo, Costa Rica. The retreat is supplied with mineral rich volcanic spring water that is piped directly from the base of the volcano at 4.6L per second. There are four pools with water of varying temperatures. The property is approximately 6,000 sqm and has washrooms, change rooms, a small bar, covered seating and a parking area. The adjacent 3 hectare parcel is for sale as well if you would like to expand the area and add a large hotel or condominiums. Less than an hour to the Liberia International Airport and one hour and fifteen minutes to the gorgeous beaches of the Pacifico Coast. This property would make a great spa, yoga retreat, rehabilitation centre or natural healing retreat. Contact me today for this unique opportunity!
